12" MIRROR BALL WITH MOTOR
AND MULTICOLOR LED PINSPOTS

INTRODUCTION

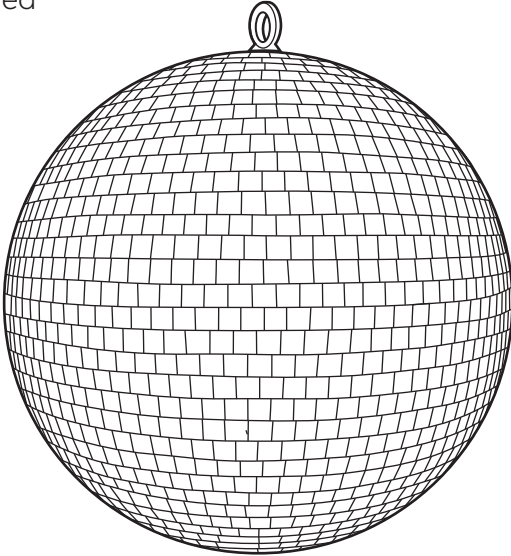

The Venue PRSM12 “Prism” contains a 12” mirror ball, motor, and 2 multicolor LED pinspots with a remote. This dazzling mirror ball comes with everything necessary to quickly set up and light up the dance floor. The two spotlights provide plenty of light and the motor spins the mirror ball so there’s never a dull moment.

FCC Statement

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
 - (1) This device may not cause harmful interference, and
 - (2) This device must accept any interference received, including interference that may cause undesired operation.
2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

SAFETY INSTRUCTIONS

Please read these instructions carefully. It includes important information about the installation, usage, and maintenance of this product.

- Do not hang anything other than the mirror ball from the motor.
- Motor starts as soon as it is connected to power.
- Do not connect the motor to a dimmer circuit.
- Do not block pinspot ventilation holes
- Disconnect pinspots from power during long periods of inactivity.

INSTALLATION

- Attach the motor to a flat, solid surface using the three included screws.
- Avoid screwing into drywall or other weak materials.
- Then, clip on the mirror ball and plug in the motor to begin usage.

Rigging

- Be sure that the structure can support the weight of the fixture.
- Please see the "Technical Specifications" section of this manual for a detailed weight listing.
- Mount the fixture securely using a hanging clamp (not included).

Lighting clamp
not included.

WARRANTY

One (1) Year Limited Warranty

Subject to the limitations set forth below, Venue® hereby represents and warrants that the components of this product shall be free from defects in workmanship and materials, including implied warranties of merchantability or fitness for a particular purpose, subject to normal use and service, for one (1) year (ninety (90) days on lamps) to the original owner from the date of purchase.

Retailer and manufacturer shall not be liable for damages based upon inconvenience, loss of use of product, loss of time, interrupted operation or commercial loss or any other incidental or consequential damages including but not limited to lost profits, downtime, goodwill, damage to or replacement of equipment and property, and any costs of recovering, reprogramming, or reproducing any program or data stored in equipment that is used with Venue® products. This guarantee gives you specific legal rights. You may have other legal rights which vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.
